Any specialist stationery items will be specified under the Additional Costs tab of the relevant module profile.
Textbooks		<i>Essential books should be listed on the Module Profile under Resources. There is no need to list them again under the Additional Costs tab.</i>	Where a module specifies core texts these should generally be available on the reserve list in the library. However due to demand, students may prefer to buy their own copies. These can be purchased from any source. Some modules suggest reading texts as optional background reading. The library may hold copies of such texts, or alternatively you may wish to purchase your own copies.
