Welcome to Classic Studies in Psychology!

Posted on: Wednesday, 26 September 2018 16:12:01 o'clock BST

Dear Students,

A very warm welcome to the University! Hopefully you have all enjoyed Freshers Week and are ready for the start of term.

The first Classic Studies in Psychology lecture will be given by me between 15.00 and 16.45 on Tuesday 2nd October (58/1067; L/T) and will provide an introduction to, and overview of, the module and its assessments, as well as an opportunity for you to ask any initial questions you may have about the module.

All the resources you need to understand the module will be available on this Blackboard site, so please make sure you explore it and make yourselves familiar with what is available. One of the things you will find is the module booklet. It is essential that you read this as soon as possible.

If you have any questions about the module, please feel free to email me at tdwr@soton.ac.uk. In the meantime, enjoy your weekend and see you on Tuesday 2nd!

Best wishes,

Tom

PS Please note that the Classic Studies Blackboard site is not yet complete. The Module Booklet and other information will be made available shortly!
