GP PARTNER
GENERAL PRACTICE

Academic profile

Degree

MBCHB

Qualification/achievement you are most proud of

My E in French A level as I did it as an extra!

Subjects you enjoyed at school

Biology, Drama and Maths

Career Summary

Qualified,
House jobs, Australia, 18 months A+E ,
met my now husband who is a non
medic and doesn't work shifts. Decided
a more 'normal' working week was
more for me,
GP rotation and that's me!

What inspired you?

It was something I
enjoyed and was good
at!

Describe your job

Did you know

GP Partners own the business of the practice and are independent contractors to the NHS

Top tip

Do what you want to do not what everyone is telling you to do! If at first you don't succeed try and try again! Most of all enjoy it if you only get one life!

Best thing about my job

I cannot name one thing but the positive feedback from patients and the fun I have at work with staff and friends I have made along the way are but a few.
