

Spring

11 February – 06 May 2023

David Blandy

Exploring our environment and the detrimental harm we cause the planet through food production, climate change, war & behaviours. Blandy will explore themes with animation, game design, debates and workshops.

Art and Design links: Film, games design

Cross curricular links: Geography, history

Spring Term

Bani Abidi:

Abidi explores the notion of exile. Approaching the uncertain future, and addressing sounds as a comfort and a link to the past.

Art and Design links: Film, sound art.

Cross curricular links: Geography, history, politics.

Summer

June – September 2023

Ayo Akingbade: Show Me The World Mister

Delving into history and place, Akingbade explores the notion of industrialisation, colonisation and family. This film was shot on location in Nigeria.

Art and design links: film, sound art

Cross curricular links: History, geography, politics, Religious Studies

Billie Zangewa: A Quiet Fire

Exploring the exploitation of black women in Johannesburg through intricate textile based pieces.

Art and design links: textiles, collage, DT

Cross curricular links: History, geography, politics, Religious Studies

Autumn/ Winter

Koestler Arts

Koestler Arts will be inviting artwork made by those in prisons, secure units, hospitals, those on probation and youth offenders.

Art and design links: Mixed media

Cross curricular links may be made.

Other projects in 2023:

Katy Connor

Connor will be bringing her biometric digital art to the gallery. Delving into how our bodies can be reconfigured with bio-technological environments.

Art and design links: Digital art, mixed media, film.

Cross curricular links: Sciences, geography.
